Workforce Solutions Greater Dallas is the premiere workforce planning and development agency in Texas. The Board ensures the development and implementation of a system of services that complements economic development— as a resource for employers to access employees they need, and training individuals to be successfully employed. The Board manages approximately \$125 million dollars in workforce development funds. These funds provide a broad range of programs to address local workforce issues with business directed objectives including job training, workplace education, child care and educational initiatives.

achieving competitive solutions...for employers through quality people and for people through quality jobs.
