

ADDENDUM to the April Board Packet

Procurement (page 11)

Fiscal and Program Compliance Monitoring Services - WFSDallas issued procurement for Fiscal and Program Compliance Monitoring Services on March 7, 2023, at 1:00 p.m. CST with a response deadline of April 6th, at noon CDT. We received two timely and responsive proposals from Christine Nguyen and Diaz, Smith & Associates.

The proposals were distributed to readers, evaluated, scored, and ranked. Christine Nguyen and Associates received the highest scores for Fiscal Compliance Monitoring Services (average 86.67) and Program Compliance Monitoring Services (average 79.33).

RECOMMENDATION: Board authorization to negotiate with Christine Nguyen & Associates to continue delivering fiscal and add program compliance monitoring services (*with a beginning date of May 1, 2023*). Fiscal and program compliance monitoring services to be negotiated in accordance with the RFP.

Banking Authorization (page 22)

The Board currently utilizes a credit card through Bank of America primarily for monthly automatic payments of utilities at our workforce centers, cell phone bills for employees, and other costs that remain standard each month. The Board also utilizes the credit card for payments that require a credit card – for example, conference registrations or payments for rental space for job fairs.

The CFO in consultation with the Treasurer proposes applying for a corporate credit card offered by our new banking institution, Bank of Texas, and closing the credit card with Bank of America. Bank of Texas has offered the Board ample credit on the corporate credit card.

RECOMMENDATION: Board authorization for the President to execute a corporate lending agreement with Bank of Texas.

Performance/ Economic Snapshot (page 13-16)

Today, we received the February 2023 MPR Reports (attached).

1. Because of the nature of this measure (the lack of lag between going into the denominator and when it would be reasonable to achieve a gain), this data is often not meaningful until the last few months the Program Year.

Reemployment and Employer Engagement Measures

Note: In some cases historic data not available at time of original publication (such as when a new measure is created) has been added to the MPR retroactively to allow trend analysis.
