#### **Background**

According to Texas Administrative Code, Title 40 Part 20 Chapter 809, Boards must establish a parent share of cost policy that assesses the parent share of cost.

#### **Policy**

For child care funds allocated by the Board pursuant to allocation rules (*generally, Chapter 800, General Administration, Subchapter B, Allocation and Funding, and specifically, §800.58, Child Care*), including local public transferred funds and local private donated funds, as provided in §809.17, the following shall apply, effective October 1, 2008 – September 30, 2009.

#### **Parent Share of Cost shall:**

- (A) be assessed to all parents, except in instances when an exemption under item (1) of this policy applies;
  - (B) be an amount determined by a sliding fee scale based on the family's size and gross monthly income, and also may consider the number of children in care, see paragraph (3) within this policy; and
  - (C) not exceeding the cost of care.
- (1) Parents who are one or more of the following are exempt from paying the parent share of cost:
- (A) Parents who are participating in Choices;
  - (B) Parents who are participating in FSE&T services; or
  - (C) Parents who have children who are receiving protective services child care pursuant to §809.49 and §809.54(c)(1), unless DFPS assesses the parent share of cost.
- (2) Teen parents who are not covered under exemptions listed in paragraph (1) of this policy shall be assessed a parent share of cost. The teen parent's share of cost is based solely on the teen parent's income and size of the teen's family as defined in §809.2(8).
- (3) This policy will increase the Board's flexibility in setting the fees for a parent's share of the costs of child care services. The rates are as follows: 10% of the household's total gross income for one child, 12% of the household's total gross income for two or more children. Parent fees may be reduced if the household has 7 or more family members. Children attending part-day/part week will receive a 35% reduction.
- (4) If the parent is not covered by an exemption as specified in this policy in item (1) above, then the Board or its child care contractor shall not waive the assessed parent share of cost under any circumstances.

- (5) If the parent share of cost, based on family income and family size, is calculated to be zero, then the Board or its child care contractor shall not charge the parent a minimum share of cost amount.

**The maximum gross income level for initial eligibility is set at 185% of the poverty level.** The income level established by Workforce Solutions Greater Dallas for child care eligibility is indicated on the charts below.
