Policy Number: A0114	RE: Inclement Weather Policy
Date re- issued: 11-22-13	Effective Date: 1-31-11

## Inclement Weather Policy

### Background

Inclement Weather Policy applies to the WFSDallas Workforce system.

### Policy

WFSDallas (the workforce system) shall follow the public notices/decision for weather closure, partial closure or delayed openings of the individual Independent School District applicable to each system location (e.g. if Garland ISD closes, the Garland Workforce Center closes).

In the event schools are not in session during a weather emergency (e.g. holiday break), Executive Board staff will make decisions regarding closing or delayed opening of workforce system locations, and a message will be recorded at the Board offices via out of office greeting. Interested parties may phone 214-290-1000 beginning at 6:30 a.m. on the morning in question to receive weather closing announcements. We will further attempt to message the community via social media, including, but not limited to website, Facebook, Twitter, etc. The locations are currently [www.wfsdallas.com](http://www.wfsdallas.com), <https://www.facebook.com/WorkforceSolutionsGreaterDallas> and <https://twitter.com/lblarrea>

The message will be available no later than 6:30 a.m. for full day closing or delayed start. Other notices will be posted as determined by the weather emergency.

### Action Required

This policy should be distributed system wide including all staff, contractors, vendors and interested parties.
