The Board has maintained 5 weekly work search contacts since 2008. Following a review of existing policy, WFSDallas continues to maintain 5 weekly work search contacts.

Policy

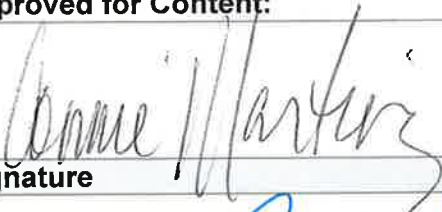

The purpose of this policy is to set forth work search requirements for unemployment insurance claimants and the process by which the Board formulates the minimum number of weekly work search contacts a claimant must perform to continue to be eligible for unemployment benefits. Following a review of the existing labor market conditions for Dallas County, the Board will maintain the policy of **five** weekly work search contacts.
