In reviewing Forms C-D, it appears that they are not applicable to those submitting proposals for the **Professional Training Services**.

1. Am I correct? **Yes, you are correct.**

If I am correct, do I still include them and put N/A at the top of the form or do I exclude them completely? **Please exclude them.**

2. Also, in reference to the **Non-Discrimination Statement Policy for Attachment M**, shall I include the same statement used for my Employee Handbook or is your organization requesting a **particularly worded statement**?

Please include a Non-Discrimination statement that meets the requirements outlined in the RFP.
